ITERATION 5

The image shows a wireframe of a website design. At the top left is a circular icon containing two overlapping circles, one light gray and one dark gray. To its right, the name "JORDAN BENJAMIN" is written in a small, sans-serif font. To the right of the name is a horizontal row of five dark gray rounded rectangles, each containing a white text link: "ABOUT", "PROJECTS", "EXPERIENCE", "WRITING", and "CONTACT". Below this header is a large, bold, black text box containing the words "CREATIVE DEVELOPER." in all caps. Underneath this text box are three large, overlapping rectangular areas: a solid black rectangle on the left, a medium gray rectangle in the center, and a light gray rectangle on the right. The bottom right corner of the page features a small, thin-lined circle.

PROJECTS

WIREFRAME

The image displays a wireframe comparison of a website design across three devices: MacBook Pro 16 inch, iPad Pro 11, and iPhone 14 Pro. The design features a header with 'JB' and navigation links (About, Projects, Experience, Writing, Contact). A large 'Projects' title with a subheading is the 'HERO' section. Below it are 'PROJECT CARDS'. Red boxes highlight specific areas: a red border around the 'Projects' title and subheading on the Mac screen; a red dashed border around the project cards on the Mac and iPad screens; and a red solid border around the project cards on the iPhone screen.
